RESULTS SNAPSHOT

- Built multi-brand operations across Oliveira Lawyers, Camila Saunier International Realty, and Brazil Safe Closing, spanning WordPress, SEO, paid ads, YouTube, social media, app QA, client support, and documentation.
- Grew multi-channel audience past 110K and scaled an Instagram account from 2K to 100K+ organically within 6-12 months.
- Operationalized Brazil Safe Closing support infrastructure for CPF Assist, Title Record Snapshot, and Non-Resident Bank Assist, including pricing, app QA, Stripe/order checks, support routing, policies, trust signals, and client handoffs.
- Implemented measurement and visibility infrastructure using GA4, Google Tag Manager, Search Console, SEMrush, Metricool, Opus, Google/Meta/TikTok Ads, Acuity tracking, conversion events, negative keywords, and budget caps.
- Protected brand reputation through scam/fraud documentation, IC3/FBI complaint preparation, DMCA takedowns, domain/social evidence capture, DMARC/SPF/DKIM coordination, and trust workflows.

PROFESSIONAL EXPERIENCE

Digital Marketing & IT Executive - Oliveira Lawyers | Oct 2024 - Jun 2026

- Ran WordPress end-to-end across a large legal website: page builds, TagDiv layouts, HTML/CSS cleanup, custom structures, SEO fields, FAQ schema, internal links, image handling, and page QA.
- Built and maintained legal content clusters for immigration, real estate, probate, private wealth/family office, local counsel, office pages, attorney profiles, client-review pages, and city/state content.
- Led paid-media and measurement workflows across Google, Meta, and TikTok, including keyword review, negative keywords, budget caps, campaign recommendations, Performance Max controls, conversion tracking, and GA4/GTM measurement.
- Operated YouTube and social workflows: titles, descriptions, SRT correction, thumbnails, playlists, end screens, first comments, Opus/Metricool scheduling, livestream clipping, TikTok growth, and editor coordination.

- Coordinated brand protection and security documentation: scam/fraud reports, IC3 submissions, DMCA takedowns, evidence folders, suspicious-email preservation, DMARC/SPF/DKIM coordination, and public fraud alerts.

Digital Operations & Product Support Specialist - Brazil Safe Closing | Dec 2025 - Jun 2026

- Supported CPF Assist, Title Record Snapshot, and Non-Resident Bank Assist operations: app-flow testing, Stripe/payment checks, order-status review, admin dashboards, support routing, and developer bug reports.
- Built and refined content infrastructure: homepage updates, pricing page, knowledge hub, FAQ, app cards, trust blocks, social profiles, Google Business Profile, and review widgets.
- Drafted and maintained support/legal-adjacent operations documents including Terms of Service, Privacy Policy, Refunds & Cancellations, Referral Disclosure, Cookie Policy, and app-specific timeline/disclaimer wording.
- Managed support inboxes and aliases, prepared client replies, forwarded applicant details, monitored applications, and supported trust/reputation setup.

Digital Strategy Specialist - Camila Saunier International Realty | Oct 2024 - Jun 2026

- Managed and improved the real-estate website: WordPress updates, custom plugin/workflow support, UX/layout refinements, property-listing pages, CTA standardization, SEO hygiene, and page-speed considerations.
- Owned property-listing workflows: asset collection, image resizing/compression, standardized templates, accurate specs/galleries/CTAs, listing pages, property posts, and publishing QA.
- Built real-estate content systems for Brazil city/neighborhood pages and service pages, including SEO titles, meta descriptions, schema, internal links, CTA placement, and page-level asset management.
- Ran social media and YouTube operations, coordinated editors, verified licensed assets, handled copyright/Content ID issues, and maintained rights records.
